

Technology Resources from the MCAA Presentation

Sean McGuire – Director of Construction Technology, MCAA

Email – smcguire@mcaa.org , Phone – 301-990-2216, Twitter - [@mcaageek](https://twitter.com/mcaageek)

Smartvid.io – Object recognition, machine learning

Workflow Software, [Pipes](#) – Will help analyze your construction workflow.

[Planning for Profitability Guide](#) – MCAA.org

Tech Consultants – [JBKnowledge](#) (College Station, TX) – Security, Technology, BIM
[Alan Bracken](#) – Change Readiness and Management
[Spectrum AEC](#) – Manpower, BIM, Lean

[MCAA Focused Research Study](#)

[Google Alerts](#) – Search News and Web for focused research

Podcasts - [ConTechTrio](#) (JBKnowledge)
[Construction Leading Edge](#)

[MCAA Technology Initiative](#)

Preventative Safety Tech

[Finger Pulse Oximeter](#) – Amazon

[Boost Oxygen](#) – Amazon

[Kardia Mobile electrocardiogram](#) (EKG/ECG)

[Blood Pressure Cuff](#) – Amazon

[AIO Smart Sleeve](#)

[Illimagear](#) Halo Light

[Spot-r](#) by Triax

[Microsoft Hololens](#) - \$3,000 for the Development Edition

[Safesite](#) – Predictive Analytics Safety App

[CCS Safety](#) - Predictive Analytics Safety App

[BIMBox](#) – Desktop Computers made specifically for BIM and 3D Scanning.

[MCAA Tech Conference Registration](#) – November 8-10 – Austin, TX (JW Marriott)

[ConTech Roadshow](#) – October 24 – Irving, TX
